RE: Change of Ownership for Water Right 47-17524

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

The department previously receipted \$50.00 paid for an assignment which was not appropriate for changing ownership of a water right license. There is a \$25.00 fee per individual water right for an ownership change. Therefore, I will initiate the process to refund the extra \$25.00 you previously submitted. You should receive a State of Idaho check for \$25.00 within seven (7) to ten (10) business days under separate cover for the fee you paid.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Darla Block
Technical Records Specialist
