Re: Transfer evaluation

This transfer proposes to add a point of diversion for the 2 rights involved.
The new well will be located approximately $\frac{3}{4}$ mile south of the original well.
This area is not in the ESPA so no river impact evaluation is included.

Authority to File:

Subject land is owned by the applicant Seth Wood Farms Inc., evidenced by Tax notices.

Water Right Validity:

Validity of the rights involved: Both rights involved are Licenses with right 22-7060 also reflected by and SRBA Claim.

Injury to Other Water Rights:

The new well is located within the original farm acreage and no protests have been filed.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is consistency with criteria set forth in Section 42-222 Idaho Code in processing of this application.

The application has been advertised and there have been no protests.
