WATER RIGHT NO. 35-13418
As Modified by Transfer No. 70164

CONDITIONS OF APPROVAL

6. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
7. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
8. The period of use for the irrigation described in this approval may be extended to a beginning date of 4/01 provided that beneficial use of the water can be shown and other elements of the right are not exceeded. The use of water before 5/1 is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than 1/31/2002
9. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.
10. The right holder shall maintain a lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
