

MEMORANDUM

DATE: August 29, 2008

TO: Water Right File 75-7647

FROM: Shelley W. Keen *SWK*

RE: Renumbering the right

The field examiner found the point of diversion for this right to be in Basin 74, and he recommended renumbering this right to 74-15878. If the license is, in fact, issued as 74-15878, the paper file should be renumbered after the license is issued.
