Hi Blake,

Please find attached letter with attachments requesting revisions to the dry-up areas proposed from Idaho Water Company water rights 35-12915 & 35-13316 specifically proposed by Transfers #4 (Huettig) and Transfer #5 (Flying "A").

Hopefully this takes care of the issues with ownership in Lot 4, SWSW of Section 3, T5N,R36E.

Let me know if you need anything else.

Thanks,
