RE: Licensing Review Memo

Time Line:

Application for Permit Received: 12/13/04

Permit Approved: 3/17/05

Proof of Beneficial Use Received: 3/29/05

Field Exam Conducted: 5/28/08

POU Overlap Analysis: NONE, note that the field examiner reported the POU to be in the SWNE of Sec. 25 yet he put it in the NWSW of Sec. 30 on the map attached to the field examination report. I believe that the report is incorrect and will go with the map.
