CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 74.
2. Upon specific notification by the Department, the right holder shall install a lockable device of a type acceptable to the Department in a manner that will provide the watermaster suitable control of the diversion.
3. The right holder shall comply with all fish screening requirements of the Idaho Department of Fish and Game.
4. Source is known locally as Cat Spring #2.

State of Idaho
Department of Water Resources
Water Right License

WATER RIGHT NO. 74-15576

CONDITIONS OF APPROVAL CONTINUED

5. The use authorized under this right shall not exceed 13,000 gallons per day.
6. This right, when considered with all other rights common to the same grazing allotment, is limited to the quantity of water beneficially used by the number of stock within the allotment.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 20th day of September, 2010.

for GARY SPACKMAN
Interim Director
