Re: Notice of Change in Water Right Ownership, 85-10328

Dear Mr. Welle:

The Idaho Department of Water Resources is returning your recently submitted Notice of Change in Water Right Ownership, water right number 85-10328, for additional information. The deed conveying the property, that the water right covers, also shows Dean E. Welle and Jane E. Yeager being included as the owners. Dean E. and Jane E. Yeager should also be included on change in ownership form unless there is an explanation to the contrary.

Please supply the requested information, including the revised form, if necessary, within the next 30 days so as not to further delay processing and if you have any questions, feel free to contact me at this office.

Thank you.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
