RE: Water Right No. 65-23166

Dear Mr. Blessinger:

This is a follow-up to our letter of June 16, 2010 (copy enclosed). As stated in our previous letter, the Department is unable to accept the resumption of use as clarification of some of the responses is required and you need to submit a notice of change in water right ownership in order to submit the resumption of use form.

Please submit the completed notice of change in water right ownership, the \$100 fee, a copy of the conveyance document, and the resumption of beneficial use. Failure to resume use of the water and notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Sincerely,

Emalee Rushing
Office Services Supervisor
