RE: Water Right No. 67-14299, Camas Prairie Associates, LLC
Security Interest – Second Loan Information

Dear Ms. Deschane:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest information. Per our conversation earlier today, you clarified that there is a second loan involving the water right & property owners listed above. In order to complete this process, we will need the enclosed Notice of Security Interest form completed and returned to our office. We will then be able to add the correct information, referencing the second loan.

I have partially completed the enclosed form. Please review, sign and return it in the envelope provided. I apologize for any inconvenience this may have caused.

We will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage www.idwr.idaho.gov on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at the number listed above.

Sincerely,

Denise Buffington
Administrative Assistant I
