PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 95-9393

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made meets the permitted beneficial use. Department staff will contact you to schedule the examination.

The beneficial use as listed on your permit indicates the use is for the irrigation of 0.8 acres. You indicated irrigation and *domestic use* on your statement of completion, which is not listed as a permitted use. In the application for permit, you noted water right no. 95-260 also covers the property you own. This water right is in the Northern Idaho Adjudication area for which a claim to the water right will need to be filed. This process will also update the ownership of the water right to you. For your convenience, I am including a copy of the water right report for water right 95-260 and the claim to a water right form. You can also complete the claim form online at <http://www.idwr.idaho.gov>.

If you have any questions concerning the field examination or claim to a water right, please contact the Northern Regional Office in Coeur d'Alene at 208-762-2800.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or from the department's website at www.idwr.idaho.gov.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
