Keith,

The three transfers referenced below all have a common problem. They are based on statutory claims. It has been a long standing policy of the Department that transfer applications on statutory claims require a thorough investigation to verify the elements of the claimed right(s). There was a civil case on Ovid Creek in 1982 but unfortunately Mr. Hunzeker was not joined in the case. With the dwindling number of staff in Eastern it is not likely there will be an opportunity for a thorough investigation for some time.

I apologize for the delay in responding to your inquiry.

Thanks

Keith, these transfers have some problems, not sure what kind of problems they are, but they are in the hold drawer.

Ernie, can you explain to Keith what kind of problems they have?

Thanks.

Sharla
