NOTICE TO RESUME WATER USE

Re: Water Right Nos. **35-2241A** and 35-2242 (split into **35-14019** & **35-14020**)

Dear Water Right Holder:

On January 6, 2010, the department approved an Application for Extension of Time to Avoid Forfeiture for Water Right nos. 35-2241A and 35-2242. Water right 35-2242 was split by transfer into water right nos. 35-14019 (Idaho Water Co.) and 35-14020 (Patti and Rick Allen). One condition of the approval was that diversion and use of this water must resume on or before October 31, 2010. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I am enclosing a Resumption of Use form for your use to notify the department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
