Re: Standlee Family Limited Partnership

Dear Ms. Hahn:

Standlee Family Limited Partnership is desirous to change the ownership of water rights 36-15119 and 36-2243. The water rights and associated property was purchased and the Warranty Deeds for the property have been updated to show the new ownership. These two water rights were included in Transfer 76346 which was recently approved by IDWR.

A previous request to change the ownership of irrigation water rights associated with Standlee Family Limited Partnership was submitted in July of 2010. A signed copy of the Warranty Deeds for the Standlee Family Limited Partnership was submitted with that application. Please refer to Exhibit F of the submitted Warranty Deeds for the legal descriptions covering 36-15119 and 35-2243.

Please copy our office on all correspondence regarding this application.

Sincerely,

Greg Sullivan, M.S., E.I.T.
