Vicky,

I have a revised map. Could you please leave Transfer 73764 at the front desk and I will come by today or tomorrow to add the E1/2NW, S2 to the POU. Thanks Vicky.

Vicki –

Lori Graves and I will work together to get what you need. Thanks for catching that error.

Subject: Blackhawk transfer applications

Hi Terry –

I was communicating with Jennifer Sukow regarding these 3 transfers. If you have assigned them to someone else, please let me know.

Transfers 73764 and 75556 are for Blackhawk Lake and 73765 is for Banana Lake. These are nearly ready for advertising, but we found an inconsistency in the POU descriptions and maps of the 2 Blackhawk Lake transfers. 73764 does not list the lake in the NW/4 Sec 2 but 75556 does.

If you would please resubmit a map for 73764 [perhaps the 75556 map relabeled] and if you could stop by the office and amend the 73764 application so that it is consistent with the 75556 app, we will get it advertised.

Thanks -
