RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK

Dear Applicant

On February 20, 2008, the Idaho Department of Water Resources (Department) received your application to rent water from the Water Supply Bank (Bank) for irrigation use in Ada County. In the application, you requested the rental of water for two year in anticipation of the issuance of permit to appropriate water no. 63-32982. The Department issued your permit on April 15, 2009, which provides authorization for the use of water as requested in your rental application. The Department is returning your application since your request appears to be satisfied by the permit approval. If you still have a need to rent water from the Bank, please submit a new application.

If you have any questions, please contact me at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
