Re: Proof of Beneficial Use – Permit No. 95-11058

Dear Department of Water Resources:

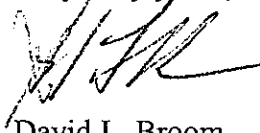

Enclosed is my check in the amount of \$50 (I was advised by your department of the amount of the fee), my completed Statement of Completion, and for further reference, a copy of my Permit to Appropriate Water.

It turns out that last fall when I was simply going to submit my Proof of Beneficial Use, it was determined that when my lake cabin was built by a predecessor, the permitting process either wasn't completed or wasn't done properly; thus, the permit which I obtained following application and statutory process as of December 14, 2009.

Please let me know if anything else needs to be done with regard to this Statement of Completion.

Thank you very much.

Very truly yours,

David L. Broom
