DEPARTMENT OF
WATER RESOURCES

Hydro Logic, Inc.

1002 W. Franklin St. Boise, ID 83702 (208) 342-8369 Fax: (208) 342-3100 Cell: (208) 631-6781

Monica,

I am finally able to send you a signed Application For Amendment for City of Meridian Water Right Permit No. 63-12560. Being August, a lot of the City staff and elected officials have been on vacation and that delayed my response to you. By today's U.S. Mail, I am transmitting the signed original application for the Department's continued processing. Please consider this your transmittal letter.

With the licensing of this Permit, we will have cleaned up all of the City's permits for which proof had been submitted. I will now submit proof and licensing examinations for the outstanding Permits that have been developed by the City so that they also may be processed and included in our comprehensive transfer application.

Thank you for working on this with me.

Respectfully,

Ed Squires
