RE: Water Right Permit No. 47-08082

Dear Permit Holder(s):

The Department of Water Resources is reviewing the permit referenced above prior to issuing a water right license. By issuing a license, the Department confirms the extent of development that has been established in compliance with the terms of the permit. The examiner who verified your water use reported that certain elements of the permit have been developed differently than described on your permit. Changes that do not increase the authorized use of water under the permit can be requested and approved in accordance with Section 42-211, Idaho Code. Before a license can be issued, your permit must be amended to depict your water use as it was actually developed.

Based on the examiner's report, the following elements were developed differently than described on your permit:

☒ **Point(s) of Diversion**

☒ **Purpose of use**

The enclosed Application for Amendment form depicts the elements of the water right as they will appear on the license when it is issued. Please review the amendment form carefully. If you concur with the information presented, please sign the form and return it with the \$50.00 filing fee within 14 days.

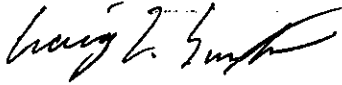

In addition, this mailing was originally sent to the permit holder of record:

HILLSDALE COLLEGE TTE OF THE GARY R STONE & BEVERLY A STONE
CHARTIABLE REMAINDER UNITRUST DTD 5-9-02
333 COLLEGE ST
HILLSDALE MI 59242

I received a voicemail from the Hillsdale College that they are no longer holders of the trust and suggested I contact you. For your convenience, I am enclosing a Notice of Change in Water Right Ownership form. If the ownership and address of record are different than shown above, in addition to sending in the permit amendment form with the \$50 filing fee, please complete the ownership form and submit it with the appropriate documents showing conveyance from the Trust to the new entity, along with a \$25.00 filing fee.

If you have any questions, please call me at (208) 287-4916.

Sincerely,

A handwritten signature in black ink, appearing to read "Craig L. Saxton". The signature is fluid and cursive, with the first name "Craig" being the most prominent.
