Re: Permit #75-14265 – Meter Reading

Dear Shelley:

My August 1, 2010, on my water meter was: 4,663,400 gallons. So far this year my monthly use has been:

July 1 – August 1:	4,663,400	gallons
June 1 – July 1:	4,399,300	
May 1 – June 1:	4,387,300	
April 1 – May 1:	4,273,000	

The latter part of this month, I am expecting a visit from Monica Van Bussum. Last week I had a letter from her and we visited on the telephone. Sure hope I've got every thing in good order.

Sincerely yours,

Bill Oldham
