Water Right License

WATER RIGHT NO. 47-08012

CONDITIONS OF APPROVAL

1. This right is limited to the irrigation of 264 acres within the authorized place of use in a single irrigation season.
2. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor exceed a combined annual maximum diversion volume of 1056 af at the field headgate for the 264 acres authorized to be irrigated under this right.
3. Rights 47-7718, 47-7753, and 47-8012 when combined with all other rights shall provide no more than 0.02 cfs per acre nor exceed a combined annual maximum diversion volume of 2244 af at the field headgate for a combined maximum of 561 irrigated acres.
4. The following rights are diverted through point(s) of diversion described above: 47-7753 and 47-8012. In addition, the following right is also diverted through the point of diversion described above as being located in Section 12: 47-7718.
5. The right holder shall make full beneficial use of all surface water rights available to the right holder for irrigation of the lands authorized to be irrigated under this right. The right holder shall limit the diversion of ground water under this right to those times when the surface water supply is not available or the surface water supply is not reasonably sufficient to irrigate the place of use authorized under this right.
6. If the surface water right(s) appurtenant to the place of use is abandoned, forfeited, sold, transferred, leased or used on any other place of use, this right to divert ground water shall not be used without an approved transfer pursuant to Section 42-222, Idaho Code, or approval of the Department if a transfer is not required.
7. Any license issued by IDWR pursuant to the right or portion thereof for the use of trust water is subject to a term review of 20 years after the date of this approval to determine availability of water for the use and to re-evaluate the public interest at the end of the term.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 11th day of August, 2010.
