) ORDER OF PARTIAL DECREES
) CORRECTING CLERICAL ERRORS IN
) DIRECTOR'S REPORT: I.R.C.P. 60(a)
)
)
)
)
)

The Director of the Idaho Department of Water Resources filed his *Director's Report for Basin 02, Reporting Area 20, Irrigation and Other Uses* on December 29, 2006. The above-captioned water rights were uncontested. *Partial Decrees* for uncontested rights were issued April 21, 2009. However, the above-captioned water rights were identified as having errors and were withheld from decree. On July 16, 2010, the Court received correspondence from the Idaho Department of Water Resources identifying the errors in the *Director's Report* with respect to the period of use element of the above-captioned water rights. Specifically, with respect to all the above-captioned water rights except 02-2435C, the Court was informed that "shoulder remarks" pertaining to the period of use element should have been included in the *Director's Report*. With respect to water right 02-2435C, the Court was informed that the "shoulder remark" included therein in the period of use element was in error, and should be deleted. This Court finds these errors to be clerical errors and based on the nature of the errors did not find it necessary for IDWR to file amended director's reports.

On July 20, 2010, the Court issued a *Notice of Court's Intent to Issue Partial Decrees to Include "Shoulder Remark" in Period of Use Element* to correct the clerical

errors in the above-captioned water rights pertaining to the period of use element. No party filed objections to or opposed the Court's intended action, and the time for filing such an objection or opposition has now expired.

Therefore, IT IS ORDERED pursuant to I.R.C.P. 60(a), that the above-captioned water rights be **decreed** as set forth in the attached *Partial Decrees Pursuant to I.R.C.P. 54(b)*.

Dated: August 10, 2010.

FILE COPY FOR 00334

Deputy Clerk

A handwritten signature in cursive script, appearing to read "Julie Murphy", is written over a horizontal line. The signature is fluid and extends slightly above and below the line.
