This application proposes the diversion and use of water tributary to a federally designated Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because it is for domestic purposes

Permits will be subject to all prior water rights. Protests may be submitted based on the criteria of Idaho Code § 42-203A. Any protest against the approval of this application must be filed with the Director, Dept. of Water Resources, Western Region, 2735 Airport Wy, Boise ID 83705 together with a protest fee of \$25.00 for each application on or before 9/7/2010. The protestant must also send a copy of the protest to the applicant.

Subject Application For Permit

Steve,

Holly Becker is going to be mailing an Application For Permit to the Southern Region Office today. I want to alert you and who ever you have handle this business that it will be arriving in the next couple of days. I normally try to file these applications in person during one of my trips to Boise, but I do not have a trip to Boise scheduled for 3 weeks.

If possible the receipt for this transaction needs to be mailed back to Holly at the FS address on the application. It would also be nice to have a copy of just the first page of the application with the 'IDWR Date Stamp' returned with the receipt for our files.

If there are any questions about this matter please contact Holly in McCall or me.

Thank you.
