RE: Change of Ownership 29-7175

On June 30, 2010 Eastern Region received a Notice of Security Interest. On July 13, 2010 we sent a deficiency letter requesting additional information, Idaho AgCredit FLCA is already listed as Security Interest holder. On August 10, 2010 our department received a phone call from Idaho AgCredit clarifying their request.

Idaho AgCredit ,if at all possible, was requesting to add a secondary Security Interest with Idaho AgCredit PCA the original request was for Idaho AgCredit FLCA, both at the same address, but they are separate entities with a different maturity date.

Idaho AgCredit FLCA is for the original loan. Idaho AgCredit PCA is for the secondary loan.
