RE: Lapsed Permit No. 15-7187

Dear Ms. Block:

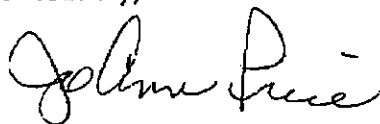

Attached are receipts that we paid in improving the well as well as a statement from our neighbor and you stated you received pictures.

It was found out that the Bureau had received the right amount for the latest fee that was due so there is no fee due at this time.

This well has been our livelihood and we will be depending more on it in the future. We hope that this will get the well completely licensed.

Thank you for your cooperation.

Sincerely,

A handwritten signature in cursive script, appearing to read "JoAnn Price".
