RE: Notice of Change in Water Right Ownership

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The notice was submitted without any water rights being listed. I compared the property location to the place of use in our water right database and found that water right nos. 65-3259, 65-3275, and 65-4001 match your property. I have enclosed water right reports for each of these water rights.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. The Department is in receipt of \$25.00. Please submit the balance of \$50.00 within 30 days to complete the ownership change.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
