The other water right is 85-7321.

You can access the water right records and our forms via our website at:

www.idwr.idaho.gov

Thank you for the update. I'll place this file (82-7106) on my calendar for follow-up on August 18th. If you need more time, just email or call me.

Thank you,

We are in the process of getting the warrenty deed amended. Hopefully, it will be done by next week. Also was wondering what the water right No. is for the property I was talking to you about that will have to be split. It's under George Dau, in Lewis Co., Section 13 TS32N Range02W.

Thank you
