Dear Sandy,

Regarding the Transfer 76469 (Water Right 47-00029 Simplot Trust), I agree with the transfer because anything that helps keep livestock out of the stream beds and off the canyon walls is beneficial for wild life, livestock and the environment.

Sincerely,

Raymond A. Ruffing
Watermaster 47-C

Dear Raymond,

As per our phone conversation this morning, could you please send me any comments/concerns, and approval or disapproval of the Transfer 76469 (Water Right 47-00029 Simplot Trust), involving the transfer of 8 acres, and a point of diversion on Cedar Creek.

Thank you so much for your time this morning, I really appreciate it.
