Jarin:

I don't see any new protests. You need to send a letter to the department requesting a prehearing conference. Sharla is the one who handles the scheduling of pre-hearings and hearings. You can call and talk to her on what is required when requesting a hearing.

The time has run for submitting protests regarding our amended transfer application. I have not seen any new protests. Have you?

My client has attempted to reach out to those protesting the matter without success. I would like to move this application along and schedule a time for an informal hearing to bring the parties to the table to discuss. Please call me to see how we can expedite this matter.
