Subject: Visser partnership name and address

Amy Runser,

The water rights involved in Visser transfers 75352 and 75353 do not have the same address. Some have:

Visser Holsteins
450 E 3950 N
Buhl ID 83316

Others have the same address as the applicant, which is :

Visser Holsteins
DBA Eagle View Farm
PO Box 665
Castleford ID 83321

The ID Sec of State has the Visser partnership registered as D26958 Eagle View Farms (with an s) at the Castleford ID address.

I am comfortable that the business entity, and the applicant and water rights holder are the same entity and that the application form was simply missing an S which has been multiplied several times to populate the water right owner records.

However, I suspect that the Department did not receive a required address change.

Would you please confirm the preferred business name and to which address your client wishes the approvals sent?
Thank you.
