Re: Change of Ownership Water Right 36-2557/Split of Water Right 36-16199

Dear Water Right Holder:

The Department acknowledges receipt of correspondence changing ownership of the water right 36-2557. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

As per my letter of March 30, 2010, pertaining to Water Right#36-16199, the deed I received only convey the land in Sec 28 of this water right. I need an additional deed showing your purchase of the land in the North ½ of Sec 29 and 30 or this right must be split between you and the original owners. If you need to proceed with a splitting of this water right and additional \$50 fee is required.

Please submit the additional deed or the additional fee by August 24th with your intents for completing this ownership change, and please feel free to contact me if you have any questions regarding this matter. I have enclosed an ownership change form with a copy of the deed you have submitted attached for your convenience.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Sincerely,

Carrie Hahn
Clerk
