RE: Water Right No. 77-4075, in the name of Mary J. McClusky

Dear Ms. Forrey:

The department is in receipt of your application for extension of time to avoid forfeiture of a water right. You have a note on your application to see the change in ownership form. As of this date, the department has not received a notice of change in water right ownership from you. Before processing the request for extension of time to avoid forfeiture, the ownership of the water right will need to be updated.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. For your convenience, I am enclosing a notice of change in water right ownership form. Please complete the form and attach the proper documentation to change the ownership of this property into your name. Attach the proper filing fee, and return it to my attention.

I will hold your application for 30 days. If you have any questions regarding this matter, you may reach me at 208-287-4952.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".

Emalee Rushing
