That's right. Because enlargement of Mr. Tlucek's water right could injure the protestant, the place of use reporting requirement was implemented to prevent enlargement.

Very good. I suppose then, if Mr. Tlucek decides to change the place of use area for an irrigation season, he'll need to notify you of the selected a new area within the authorized PPU?

Thanks Scott. I've updated the place of use shape for Water Right 63-32184 with the shapefile you provided. I'll add the land list and map to the water right file when they are received.

Hello Shelley,

On behalf of Jerry Tlucek, I have prepared a map and land list for the 53.2-acre place of use, which will go into today's mail to you. Attached to this message is the GIS shapefile depicted on the map.

Thank you,
Scott
