Dear Mr. Price

The Lake Reservoir Company has taken under advice in response to the notice of protest filed by you on behalf of the Bureau of Land Management.

The basis of protest is the Lake Reservoir Company is not authorized to use the public land for irrigation from storage as described in the application for permit No. 65-23305 and designated as the Place of Use.

The Lake Reservoir Company has taken steps to remedy this shortcoming in their application and has revised the application with the intent to exclude all public land described by the protest.

It is the intent of LRC to completely remedy the complaint by the Bureau of Land Management and to allow the BLM to withdraw their complaint to the application for permit. I invite you to reexamine the application as it stands in its revised condition. Please advise us if you find that we have not fully remedied the protest filed on behalf of the Bureau of Land Management.

Thank you for your consideration of this issue and please do not hesitate to contact me directly if you have any questions concerning this request.

Sincerely,

Ron Shurtleff
