Re: Notice of Change in Water Right Ownership and Assignment of Permit
For Verbree Land Holdings LLC

Dear Mr. Fitzgerald:

The department acknowledges receipt of correspondence changing ownership of the water rights on the attached list to your client. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Please note that the attached list generated by this office differs from exhibit "A" that was attached to the owner change form you submitted on behalf of Verbrees. Several of the water rights listed in exhibit "A" have been split by transfer and assigned new numbers. There were also several additional water rights found using the legal descriptions from the quitclaim deeds whose ownership had not previously been updated.

Please review these records and contact me with any questions you may have in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Trish Fawcett', written in a cursive style.
