RE: Change in Ownership for Water Right No. 31-11786

Dear Claimant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

XXX **Filing Fee** of \$25 per water right or \$100 per water right for changes resulting from division of a water right

XXX **Evidence of Water Right Ownership:** RECORDED copy of Warrant Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information or fees. If we do not receive the necessary information or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Bobby Kern
Office Specialist II
