RE: Application for Transfer 76286

Dear Applicant and Protestants:

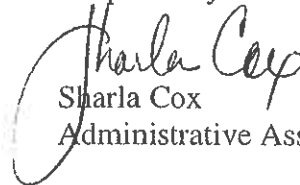

A letter from the Department was sent to each protestant and the applicant requesting available days in July, August and September for attending a pre-hearing conference on the above application.

Based on the responses we received it appears that those months are not a good time period for conducting the pre-hearing, so we have decided to solicit available days for the months of October and November.

On the enclosed calendars, place an "X" in those days you would not be available to attend the pre-hearing. Due to the large number of protestants in this matter, the pre-hearing will be scheduled to the best of everyone's schedule.

Please return the enclosed calendar no later than June 28, 2010. Once the pre-hearing date has been selected an order will be mailed to all the parties notifying them of the pre-hearing date.

Respectfully Submitted,

Sharla Cox
Administrative Assistant
