Re: Release Water Right 36-16737 from the Idaho Water Supply Bank

Dear Mr. Marshall:

It is desired by W-4 Dairy to request the release of 36-16737 from the Idaho Water Supply Bank. The desired release date is October 15, 2009. This is at the end of the annual application term for this water right. Transfer 75484 moved 36-16737 to a permanent place of use and therefore it is no longer required to lease and rent this water right from the Idaho Water Supply Bank.

Please send documentation of the release of this water right to W-4 Dairy and Brockway Engineering. Thank you.

Sincerely,

Brent Whitesides
