Re: Junayo Ranch Application for Transfer No. 75704

Dear Interested Party:

You are a protestant in the above referenced transfer application filed by Junayo Ranch to correct a water right record regarding the location of land irrigated with storage water. This letter is to inform you that additional legal notice for the application will be published in the first half of August 2010.

The application was corrected regarding some typos. Re-publication is occurring to alleviate any concerns about the correct application information being available for full public notice. You do not have to take any action because of the new legal notice. Your protest remains intact and will be addressed later in the process.

The Reynolds Creek Watermaster already provided written comments for the transfer application. Additional comments are not required in this situation.

Application documents can be obtained from the department website as explained in the legal notices previously published and soon to be re-published.

Please be aware that all documents you provide to the application file must also be provided to all the parties in this protested matter. The parties include the applicant and the protestants.

Please contact me at 208-334-2190 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steve Lester', is written over a horizontal line.

Steve Lester
