Re: Assignment of Permit 72-7571

Dear Ms. Cutler:

Michael and Julie Graham recently visited our office in order to change ownership on the above water permit into their names from yours. Because a permit is considered personal property until it is licensed, you must 'assign' your interest in the permit to the new owners of the property using the enclosed Assignment of Permit form.

For your convenience, we have completed the assignment form. All that is required of you is to date and sign the form where indicated in front of a notary, and return to me in the enclosed self-addressed envelope. If you prefer, you may stop by our office at the above address to sign the form as we have several notaries on our staff.

Please return the completed form to me by **March 13, 2009**. Thank you for your prompt attention to this matter and should you have any questions, please feel free to contact me at 736-3033.

Sincerely,
