Re: Application for Permit and Conditional Withdrawal for Rivers End
Subdivision

Dear Ms. Edl:

Enclosed please find an application for permit for ground water in the name of Rivers End Neighborhood Association for the Rivers End Subdivision. This is the application we discussed to allow the continued use of our irrigation diversion from a pond within the subdivision. This application is to be mitigated by water right 63-32614 also held by the Association.

Also enclosed is a conditional withdrawal of application for transfer number 70024 in the name of the Association. Upon approval of the above application for permit the application for transfer will be withdrawn.

Please let me know if you have any questions or need any additional information.
Thank you for your help.

Yours truly,

David B. Shaw
