RE: WATER SUPPLY BANK LEASE AND RENTAL APPLICATIONS

Dear Applicant:

On July 28, 2009, the Idaho Department of Water Resources (Department) received your applications to lease water right 63-27214 to the Water Supply Bank (Bank) and to rent this right from the Bank for irrigation purposes during 2009. The Department is returning your rental application since it was not processed prior to the end of the proposed rental period. Since your lease application offers right 63-27214 to the Bank for an indefinite time period, the Department will retain your lease application and process as resources allow.

If you still have a need to rent water from the Water Supply Bank, please submit a new rental application. Application forms and information about the Water Supply Bank are available from the Department's web site at: www.idwr.idaho.gov. Please contact me if you have any questions.

Sincerely,
