-----

Applicants, Heidi F. Matthews and E. Eugene Matthews, request that the Director reconsider the findings described in the Preliminary Order Amending Transfer Approvals and the Irrigation Plan as follows:

1. Pursuant to paragraph 1.5 of the Order and the Irrigation Plan, Applicants would like the last sentence "Application of water to "B" acres in the fall shall not exceed two applications or sets of water" be eliminated so that if Applicants need to exceed "two" applications or sets of water that they will be allowed to do so. The reason for this request is that Applicants may need to water more than

two times due to agronomic conditions, application of chemicals, or a dry fall.

DATED this 13th day of July, 2010.
