RE: ASSIGNMENT OF PERMIT FOR 22-7697 and 22-13973

To Whom It May Concern:

On July 6, 2010, the Idaho Department of Water Resources (IDWR) received Assignment of Permits (assignments) that assigned your portion of rights 22-7697 and 22-13973 to Sidney Highnote. As a result, right 22-13973 has been re-joined with right 22-7697 as depicted in the enclosed Application for Amendment.

Because you are no longer an owner of permit 22-7697, I am returning the Application for Amendment form that IDWR received on June 10, 2010. The department will retain a copy of that amendment for reference purposes and return the original form to you.

Lastly, IDWR is in receipt of your Notice of Security Interest in a Water Right. I am also returning that form to you because we did not receive the documentation that is required pursuant to number #2 of the form. Please submit documentation of evidence of the security interest.

You can reach me at (208) 287-4944 if you have any questions.

Sincerely,

Cherie Padilla, Sr. Water Rights Agent
Water Allocation Bureau
