Re: City of Moscow Idaho Application for Modification of Service Area
Withdrawal

Dear Mr. Haynes,

On May 29, 2008, the City of Moscow made application to the Idaho Department of Water Resources for a modification of the City's water service area. This application was submitted for the purpose of obtaining Idaho Department of Water Resource approval for the City of Moscow to provide water to the Hawkins Company Stateline Project located in Whitman County, Washington. Through subsequent activities with which I believe you are aware, the application for this modification of the service area has not moved forward.

On May 17, 2010 the City of Moscow City Council authorized a termination of the efforts to obtain the referenced service area boundary modification. Therefore, the City of Moscow hereby withdraws its application made May 29, 2008 for the modification of the service area herein discussed.

If you have any questions regarding this withdrawal please feel free to contact me at phone number 208-883-7028 or by email at Imacdonald@ci.moscow.id.us.

Sincerely,

Les MacDonald, P. E.
