RE: WATER SUPPLY BANK LEASE AND RENTAL APPLICATIONS

Dear Applicant:

On April 24, 2008, the Idaho Department of Water Resources (Department) received your applications to lease water rights 31-11947 and 31-11954 to the Water Supply Bank (Bank) and to rent these rights from the Bank for irrigation purposes during 2008. The Department is returning your applications since they were not processed prior to the end of the proposed lease and rental period.

The Department is currently reviewing your Water Supply Bank applications received on February 8, 2010, and will correspond with you once the review is complete. Please contact me if you have any questions.

Sincerely,

Aaron Marshall, P.G.
