Re: Ranch Properties LLC water rights

Dear Mr. Marshall:

Ranch Properties LLC desires to lease water rights 1-10443 and 45-11969 to the Idaho Water Supply Bank for an indefinite period of time. Ranch Properties LLC is in the process of developing the land in which 1-10443 and 45-11969 are applicable to. In an effort to avoid any forfeiture issue that may arise during development period the water rights are being leased to the Idaho Water Supply Bank.

Ranch Properties LLC desires to rent 20 acres or 80 AFA of ground water from the Idaho Water Supply Bank from water right 45-11969. By doing so, they can irrigate the desired 20 acres and not worry about forfeiture of the remaining portion of the water rights.

Please copy our office on all correspondence regarding this application. Thank you for your assistance and if you have questions or comments, please don't hesitate to call.
