RE: Telephone conversations

=====

I spoke with Mrs. Holte on Jan 31, 2005 about the packet of documents she sent me. She was confused about the "error on partial decree" letter I sent them on Jan 10, 2005. I explained the situation to her and told her to give Danni Smith a call. After Speaking with Mrs. Holte I informed Danni Smith about the situation. Danni then called Mrs. Holte and talked to her about the situation. Danni said a letter would be sent to the court to set aside the partial decree for correction.
