RE: Notice of Change in Water Right Ownership

Dear Water Right Holder:

On November 13, 2009, the Department of Water Resources received your notice of change in water right ownership. The ownership of water right nos. 65-10378 and 65-10379 has been updated to reflect the change in ownership and I have enclosed water right reports for your records. Water right no. 65-12469 is not appurtenant to your property; therefore, the ownership change requested for this water right was not processed.

Water right no. 65-10377 was divided with the portion of the water right which was appurtenant to your property being numbered **65-23430**. Mr. Goller's portion of the water right (or the portion for which no ownership change has been received) remains numbered as 65-10377. I have also enclosed water right reports for each of these water rights.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Your portion of the water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then no further action is required at this time.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
