RE: Questions regarding water right 84-10636 (split into 84-12251 and 84-12252)

Dear Mr. Imel:

I recently sent a letter to what must have been your previous address: HC 64 Box 80, Pierce, ID, 83546. This letter was returned as undeliverable and I found the address information above.

Recently I have been examining the change of ownership completed for 84-10636, which split into 84-12251 (Imel) and 84-12252 (Mooers, Wyatt and Haener). I have some questions I hope you can answer.

First, there is a note in the file saying the point of diversion (POD) and place of use (POU) may be incorrect. I have enclosed a map for your convenience. Please put a dot where the well is and circle your place of use (house/garden/lawn).

Second, how many pumps are in the well? Is there one for each house?

Your assistance would be greatly appreciated in determining the best way to record these water rights. If you have any questions, please feel free to call me at (208) 287-4907.

Respectfully submitted,

A handwritten signature in cursive script that reads "Monica P Van Bussum".
